

PERRY JOHNSON REGISTRARS, INC.

Certificate of Registration

Perry Johnson Registrars, Inc., has audited the Sustainable Electronics Reuse & Recycling (R2) Standard of

Reagan Wireless Corp.

720 South Powerline Road, Suite D, Deerfield Beach, FL 33442 United States

The organization has been audited by a certification body that is in conformance with ISO/IEC 17021 requirements and applicable Accreditation Body requirements. The organization is found to be in conformance with the R2 Standard as applied by the R2 Code of Practices.

The Sustainable Electronics Reuse & Recycling (R2) Standard v3

This Registration is in respect to the following scope:

Downstream Vendor Management, Logical and Physical Data Sanitization, and Testing of Mobile Devices and Accessories

This R2 Facility performs the following applicable R2 Process Requirements at this location(s) and has been audited to the requirements for each as identified.

Appendices (A) - Downstream Recycling Chain; (B) - Data Sanitization (Logical and Physical); (C) - Test and Repair (Test Only) are applicable to this Single Facility.

The certification referenced above is accomplished pursuant to SERI's R2 Code of Practices through an audit of a sample of the certificate holder's facilities and/or processes/activities within the limited written scope appearing on this certificate. Certification is not a comprehensive validation or verification of all conditions. The R2v3 Standard is offered "AS-IS" and without warranty, and any reliance otherwise, by the certificate holder or any third party, is expressly disclaimed by SERI. The use, display, and reference to the R2v3 Certification Mark printed on this certificate is governed by license agreement(s) entered between the certificate holder and SERI. Certificate authenticity and validity can be verified at <https://r2directory.org>.

This Registration is granted subject to the system rules governing the Registration referred to above, and the Organization hereby covenants with the Assessment Body duty to observe and comply with the said rules.

Environmental, Health and Safety Policy

As a buyer, seller, provider of data clearing and testing of mobile phones, tablets, and other small electronics, Reagan Wireless is dedicated to the protection of non-renewable resources. Reagan Wireless recognizes and accepts its responsibility to provide a safe and healthy working environment for all its employees, contractors, and visitors who use its premises.

Our **Environmental Health & Safety Management Systems (EHSMS)** govern the processing of this equipment as well as the handling & processing of residual materials.

Reagan Wireless is committed to:

- Maintain an EHS Management System appropriate to the purpose and context of Reagan Wireless, including the nature, scale and environmental impacts and OH&S risks/opportunities of its activities, products, and services.
- Maintain an EHS program consistent with **ISO 14001:2015, ISO 45001:2018** and the **R2V3 standard** to provide a framework for setting EHS objectives.
- Commitment to fulfil its compliance obligations including those covering focus materials and other requirements set by our management.
- Comply with all regulations for countries of import for R2 focus materials under our control.
- Commitment to provide safe and health working conditions for the prevention of injury and ill health and continual improvement in EHS Management System to enhance EHS Performance
- Focus on a management strategy that is based on a hierarchy of reuse and recovery and as a last resort, energy recovery.
- Commitment to consultation and participation of workers and elimination of hazards and reduction of OH&S risks
- Ensure safe practices for the handling, storage, and transport of focus materials.
- Commitment to the protection of the environment including prevention of pollution and other specific commitment relevant to the context of Reagan Wireless

Daniel Kaufman, President & CEO

Quality Policy

As a buyer, seller, data clearing and testing of mobile phones, tablets, and other small electronics Reagan Wireless is dedicated to the protection of non-renewable resources. Reagan Wireless recognizes and accepts its responsibility to provide a high-quality product that meets our downstream customer and vendor requirements.

Top management will ensure to the best of its ability that all vendors for downstream materials will adhere to the same environmental and quality standards and protection of the health and safety of its employees.

It is our intention to:

- Maintain a quality program appropriate to the organization's context according to ISO 9001:2015.
- Commitment to fulfilling compliance obligations and continually improving the effectiveness of the Quality Management System.
- Provides a framework for establishing and reviewing quality objectives and are communicated and understood within the company.
- Ensure that objectives are being reviewed for continuing suitability.

Daniel Kaufman, President & CEO
